TERSELY TOLD

W. W. Jones, of the Chipley Banner, was in the city yesterday on a short business visit.

John W. Burg, a former resident of Pensacola, but now of Mobile, is in the city on a short business visit.

The Pensacola Library Association will hold a meeting Tuesday evening, January 2, 1906 at 4 p. m. all members are requested to be present.

The Terminal Company will run a late train Monday night in order to accommodate those who wish to witness the attraction at the opera house.

Joe Stone, who spent several days in Mobile, visiting friends and relatives, returned to the city yesterday, having spent a most pleasant vacation.

Marshal Schad has just received a lot of new paraphernalia for the police department, among which is clubs, badges and whistles. The clubs are different from those heretofore used by the department, being of wood and much longer than those now in use.

A small fire occurred yesterday afternoon about 1 o'clock at the home of Mrs. Chilson, No. 6 South Baylen street, caused by sparks from a defective flue. The blaze was extinguished in a few minutes, with only a slight loss.

The Universalist Sunday school had a fine Christmas time at the church Friday afternoon. There was no tree but Santa Claus had sent in a generous supply of candy, nuts, oranges and apples for the little folks and all enjoyed the entertaining program of literary and musical selections.

Your New Year's dessert will taste better, if flavored with Blue Ribbon Lemon or Vanilla Extracts. Ask for Blue Ribbon Lemon or Vanilla Extract, and say it plain.

NEW YEAR GREETING TO ALL THE WORLD

By Associated Press.
Washington, Dec. 30.—Following a custom established several years ago, the naval observatory will, at twelve o'clock tomorrow night, send a New Year greeting around the world. This will be done by a prearrangement with the telegraph and cable companies and it is estimated the message will complete the telegraph's circuit of the world in about ten seconds.

Your cake may be delightfully light, and unless properly flavored will be disappointing in taste. Blue Ribbon Vanilla adds to the goodness of all desserts.

Constipation causes headache, nausea, dizziness, languor, heart palpitation. Destructive physics gripe, sickness, weakens the bowels and don't cure. Doan's Remedy acts gently and cures constipation. 25 cents. Ask your druggist.

ALL STORES WILL BE CLOSED TO-MORROW

All dry good stores of the city will be closed tomorrow, January 1st, and the clerks of the city will be given the first holiday of the year.

As a result of the notice that all stores would be closed the shopping yesterday was exceptionally heavy, and nearly all of the stores were crowded during the day.

Household Goods For Sale.
All my household goods for sale very cheap. They must be sold at once for cash only as I must leave the city.

YEAR 1905 BEST IN HISTORY OF CITY

(Continued From First Page.)

September.....26.....43,848
October.....19.....31,245
November.....23.....34,531
December.....15.....25,823

Totals.....253.....145,570

Marriage Licenses.

During the past year no less than 451 couples were made happy. This is the number of marriage licenses issued during that period by Judge Belinger, and is probably a record breaker along the line of marriages.

Occupation Licenses.

Tax Collector Roberts reports having issued 863 occupation licenses during the year, which shows a small decline in number due to the fact that the last legislature exempted physicians and that a number of small stores were closed several months ago, and have not yet re-opened.

POLICE MADE OVER FIVE THOUSAND ARRESTS

The police department, up to 5 o'clock yesterday afternoon, had made over five thousand arrests, and the collections from fines in the municipal court aggregated over \$16,000.

Marshal Schad, who has been at work on his annual report for several days, completed the same up to yesterday afternoon at the above hour. At least the totals were ready. The reports show the following good work:

Number of arrests.....5,578
Of these white.....3,514
Colored.....2,064
Citizens.....177
Foreigners.....177
Discharged.....967
Sent to criminal court.....4,340
Sentence suspended.....188
Continued.....12
Fines assessed.....\$24,538.75
Fines, costs, etc., collected.....\$16,581.40

The number of arrests this December when compared with the same month last year shows that there were more than two hundred less for this year, and that the collection of fines for that period also showed up smaller by about \$70.

The compiling of the yearly report of the marshal reflects credit upon him, especially at so early a date. Heretofore there have been but few annual reports submitted, and these were always late, and in many cases no reports were ever made.

VITAL STATISTICS FOR THE YEAR

The records at the office of City Clerk Merrill show that during the year there were 296 deaths. There were only 270 births during this period.

EMANCIPATION DAY MONDAY, JAN. 1

Will Be Fittingly Celebration by the Colored People of Pensacola.

Emancipation Day will be fittingly celebrated in Pensacola this year by the colored residents of the city, and preparations for the event are now under way. It will occur Monday, beginning in the forenoon. Among the features will be a parade and address by Dr. W. R. Pettiford, of Birmingham, who will be the orator of the day. There will also be addresses by other prominent colored people.

The parade will form at the Mt. Zion Baptist church Monday morning at 10:30, and proceed from there to Palafox street, thence south to Garden and thence to Big Zion church, where the ceremonies will be conducted and the addresses delivered.

SAGE LEAVES

Special to The Journal.

Brent, Dec. 30.—On Tuesday morning we had just such a frost as we so anxiously awaited through the season of yellow fever.

Wednesday night we had a heavy rainfall, with high wind, thunder and lightning.

The Christmas week is passing smoothly away, and the New Year is almost in sight.

Prof. Allen is enjoying his vacation among his old neighbors and friends. He made some short stops through Ochoptonia on Thursday, with his high toned violin, and gave us a professional holiday jubilee. He would feel quite well now if he could trade off a couple of swollen feet for a pair that would fit his shoes. He will return to his school in the wilderness Monday and commence a new year's work.

When Mayor Bliss issued a forecast of the "toys" which he would have Santa Claus to remember him with on Christmas eve, it appeared to be rather an extravagant request—but when we consider that the whole city are to enjoy his ideals, it is to be hoped that Santa Claus has considered the matter favorably—having them all booked down for future delivery, if not crammed into that monstrous official stocking!

The mayor probably forgot to insert a market clause in his letter—but old Santa will surely have a market attachment to the new city hall.

The days of "Nineteen-Five" are almost numbered. My next Sage Leaves will be from the new crop of 1906.

If we could have a correct forecast of the future events to occur in Pensacola how interesting such advance history would be—the deaths; the fires; the storms; the quarantines; the murders, robberies, accidents and fun!

Whether our pleasures shall be eliminated by an overbalance of woes, depends to some extent upon ourselves.

Let each resolve to aim higher, be more vigilant and work harder for the right than ever before, through the New Year just dawning upon us.
THOS. McMILLAN.
